

Side Split Cowhide Stick Glove with CushionCore™ Liner

High-quality stick glove with wide reinforcements

The Black Stallion 320 stick glove is a favorite among professional welders, thanks to its durable high-grade side split cowhide, and wide reinforcements where they are needed most. The CushionCore™ glove lining is the most comfortable heat-blocking liner we offer. Kevlar® stitching provides greater protection against sparks, and better abrasion resistance. The 320 is comfortable without sacrificing durability, making it the 320 a popular choice with welders.
